Methodology

- **1,005** randomly selected *registered voters* aged 21+ were interviewed via telephone for the survey.

- Respondents were selected via random stratified sampling method along the lines of state of residence, ethnicity, gender and age.

- Survey was carried out between 30 Nov – 11 Dec 2010.

- Survey margin of error estimated at ±3.09%.

- Important events during survey period: Govt. announces subsidy reductions on petrol, diesel, gas and sugar;

Note: Total percentages presented may or may not add up to 100% due to rounding up of figures.

Other Issues
Recently the government announced that a state-owned corporation, PNB will be constructing a building taller than the Petronas Twin Towers, some people feel that it is a waste of funds while others say it will generate further economic growth. **Do you agree or disagree with the proposal to build the skyscraper?**
Recently the media has been reporting about Parti Keadilan Rakyat's internal conflicts. Do you think...

- The reports are a true reflection of the troubles in PKR
- The reports present an exaggerated picture of the situation
